On January 30, 1992, Brightleaf Estates Subdivision Sewage Treatment Cooperative, Inc. ("Brightleaf"), in compliance with ordering paragraph 2 of the Commission's Order of January 27, 1992 in Case No. 91-442,<sup>1</sup> filed a copy of the Deed of Conveyance transferring ownership of B.L.S.T. to Brightleaf (attached hereto as Appendix A).

In view of the filing of the Deed of Conveyance and the fact that Brightleaf will serve only residents and businesses in its subdivision and will not be treating sewage for the public for compensation, the Commission finds that the sewage treatment facility is no longer a utility within the meaning of KRS 278.010(f). Accordingly, the matters arising out of this investigation will no longer fall under the Commission's jurisdiction.
